Indoor Air Quality

Contractors selected Aprilaire's Model 800 Steam Humidifier as the Dealer Design Award Gold winner for 2011; confirming our commitment to quality, reliability and Engineered Simplicity.®

The Aprilaire Model 800 utilizes proven electrode technology:

- No cleaning necessary—simply replace the low cost canister
- Easy, flexible installs—remote or duct mount with no added accessories required
- Dispersion technology—prevents condensation in ducts
- No water filtration necessary

Aprilaire, Your Partners in Comfort, is the brand you can trust for product reliability and proven design.

Evaporative or Steam: the proven choice for Contractors is always Aprilaire.
