Thank you for the opportunity to provide the following financing proposal for your commercial HVAC needs.

This proposal will provide you with monthly payment estimates and other pertinent leasing information.

Replace existing Carrier 10 ton G/E - 460 volt - High Heat Rooftop with Trane high efficiency rooftop

Total Investment (Less Taxes): \$13,750.00
24 Month Estimated Lease Payment: \$658.21
36 Month Estimated Lease Payment: \$457.05
48 Month Estimated Lease Payment: \$359.98
60 Month Estimated Lease Payment: \$286.82
72 Month Estimated Lease Payment: \$249.98

****Important Lease Information****

The payments shown above are based upon the Like-Term U.S. Treasury Notes and are subject to fluctuation. Monthly payments are fixed at final scheduling. Two payments in advance are due at lease signing, as well as, an administrative / documentation fee. Rates and Terms are subject to credit approval. Lease rates change without notice, this quote is only an estimate and does not commit the leasing company to a specific payment term or amount. Monthly payment estimates do not include taxes, they will be billed on each payment. Upon expiration of the lease, you will purchase the equipment from the leasing company for one dollar (\$1.00).

We look forward to providing you both the comfort and financial solutions you need. If you have questions or would like further information, please contact:
